

DOLCE & GABBANA

G O L F W E A R

MOISTURE MANAGEMENT

Sweat is absorbed out of the fabric thanks to the moisture-absorbing technology. Evaporation of moisture occurs much easier when it is on the surface of the fabric than between clothing and the skin.

ANTI-ODOR

Our golf garments feature Anti-Odor technology. These garments contain silver nano-particles reduced to a billionth of a meter in size and embedded in the fabric against growth of bacteria when you sweat.

BREATHABLE

The most essential feature that golf clothing shall have is breathability. What breathability means is the ability to transfer moist air through the pores of the garments. This feature helps to make any physically exhaustive activity more comfortable.

4 WAY STRECH

Garments are generally stretched in two directions along the weaving lines. The 4-way flexibility provided transversal and longitudinal stretching for a better freedom of movement. Feel no constraints with your golf swing no matter how many layers you put on.

UV PROTECTION

Fabrics can be made of many types of fibers including cotton, wool and nylon. Most types of fibers naturally absorb certain amount of UV radiation and some have elastic threads that pull the fibers together snugly to reduce the gaps between openings. You will be able to protect your skin with 50+ upf.

A lifestyle photograph of two women sitting at a round wooden table on a deck overlooking a lake. The woman on the left is wearing a bright red cardigan and white pants, smiling and holding a blue drink. The woman on the right is wearing a black long-sleeved top and white pants, also holding a blue drink. The background features a wooden walkway and a lush green golf course under a clear sky.

23311 Pants

A silhouette of a golfer walking from left to right, carrying a golf bag. The golfer is positioned in the lower-left quadrant of the frame. The background is a clear, bright blue sky. In the lower-right quadrant, there is a dark silhouette of a large, rounded tree. Centered in the upper half of the image is the brand logo.
